

Year 5 Home Learning Grid: Term 4

Our topic this term is: **Why does Ancient Egyptian society still interest us today?**

Complete one activity from this column per week:	Complete at least one more activities from these per week and colour the box in using the key below:				
Choose an Ancient Egyptian Pharaoh or Queen and create a fact file about them.	Create a boat suitable for use on the Nile in Ancient Egypt.	Design a holiday brochure for a cruise along the Nile.	Design / make an Egyptian sarcophagus.	Make Ancient Egyptian themed biscuits. <i>Adult supervision required</i>	Listen to Gustav Holst's 'The Planets' and create a piece of mark-making art work to express the sounds and instruments you can hear.
<i>Travel back in time to the Ancient Egyptians and write a postcard (use template from Purple Mash if possible)</i>					
What 15 items would you take to the desert and why?	Draw and label a map showing the different countries in Africa.	Identify 5 objects you would take to the afterlife with you and why.	Look at the different places you can visit in Egypt. Imagine you are going on holiday there for 5 days. Create an itinerary showing what you would do there and why.	Design / Build a model pyramid.	Can you create a solar system in a box? Use a shoe box and other materials to create the solar system.
Create a comic book based on an Ancient Egyptian legend. <i>Have a look here for ideas</i> http://www.wartgames.com/themes/myths/egypt.html	Find out why the Ancient Egyptians took organs from the body.	Write your own name in hieroglyphics for display. Make it bright and colourful.	Make a vegetarian dish using ingredients that the Ancient Egyptians would have access to. <i>Adult supervision required.</i>	Find out about a native Egyptian animal or plant and create a poster about it.	Write a fact file about each of the planets in our solar system.
Create Ancient Egyptian addition calculations using the correct hieroglyphs for the numbers.					
Using your knowledge of Ancient Egypt, write 10 maths problems. Make sure you know the answers.	Explain how mummification took place.	Draw a detailed map of modern day Egypt. Label on the capital, major cities, large rivers and some landmarks.	Design / make an Ancient Egyptian Pharaoh's headdress.	Draw a portrait of an Ancient Egyptian Pharaoh or Queen.	Research and create a time line to show the history of space investigation and travel.
Create a timeline of Ancient Egypt from 1000BCE - 0					

Week 1	Week 2	Week 3	Week 4	Week 5	WEEK 6	WEEK 7
--------	--------	--------	--------	--------	--------	--------

Be as creative as you can. You can use the internet or books to help you. A good website is: <http://www.primaryhomeworkhelp.co.uk/Egypt.html>

Castle Hill
Community Primary School

Dear Parents

This term's home learning is linked to our history study of Ancient Egypt. We will be exploring 'Space' in science too.

To support their study, the home learning grid inside this booklet is designed to allow children choice and freedom to add more information to their class study. Some activities require adult supervision, which we have noted in the activity box. Each time that an activity is completed, please shade it in on the grid.

PE is on a **Monday**. Please ensure your child has their PE kit in school every day, as well as bringing in clothes suitable for wearing outside (i.e. tracksuit bottoms and sweatshirt). Your child will need socks in their P.E. kit if they have worn tights to school.

Thank you for your continued support.

Miss Bright and Miss Farmer
