Year 5

Home Learning - Term 6

Dear Parents

This term's home learning is linked to our topic of North America.

To support their study, the home learning grid inside this booklet is designed to allow the children choice and freedom to add more information to their class study. Some activities require adult supervision, which we have noted in the activity box. Each time that an activity is completed please shade in on the grid.

Year 5 will continue to have PE on a Monday afternoon. Please ensure that the children have PE kits in school at all times so they can take part in any extra activities as they come along. All children should bring in PE kits as usual at the beginning of term and these will be sent home on the last day of term to wash.

Thank you for your continued support.

Miss Bright and Miss Farmer
(Year 5 teachers)
