

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Castle Hill
Community Primary School

Commissioned by

Department
for Education

Created by

Sports Premium 2023-2024 = £19,238

The Key Indicators:

1: increased confidence, knowledge and skills of all staff in teaching PE and sport

2: engagement of all pupils in regular physical activity

3: the profile of PE and sport is raised across the school as a tool for whole school improvement

4: broader experience of a range of sports and activities offered to all pupils

5: increased participation in competitive sport

Local sports involvement:

Herald Cup (Girls), Herald Cup (Boys), Futsal League, Basketball League, Football League (Girls), Football League (Boys)

After School Clubs:

Years 1-2: Multi Sports

Years 3-4: Football, Dance, Netball

Years 5-6: Basketball, Girls Football, Boys Football, Dance, Summer Multi-Sports

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<i>To increase the number of children engaged in sport</i>	<i>All children in Years 1-6 at lunchtimes and Friday afternoons</i>	<i>2: engagement of all pupils in regular physical activity 3: profile of PE and sport is raised across the school as a tool for whole school improvement</i>	<i>More children being more active in school and encouraging them to sustain this outside school hours</i>	<i>Sports Coach (lunch): £3304 Sports Coach (Friday): £661 Sports equipment: £ 750</i>
<i>To engage in more competitive sports locally</i>	<i>Children in Years 2-6 through engagement with all tournaments and leagues through the Shepway Sports Trust</i>	<i>4: broader experience of a range of sports and activities offered to all pupils 5: increased participation in competitive sport</i>	<i>More children taking part in competitive sports, greater interest from parents to support their children in sports</i>	<i>Shepway Sports Trust £750 Sports Coach and staff to support out of school events: £1295</i>
<i>To increase the number of children engaged in swimming</i>	<i>Children in Years 3 and 4</i>	<i>2: engagement of all pupils in regular physical activity 3: the profile of PE and sport is raised across the school as a tool for whole school improvement</i>	<i>Children starting swimming at a younger age which will enable a greater percentage of children to achieve 25m by end of primary education</i>	<i>Use of minibus: £800 Y3 coach and pool: £1820 Y4 coach and pool: £1900</i>

<p><i>To engage targeted children in sports activities after school hours with some joining competitive sports events</i></p>	<p><i>Children in years 1-6</i></p>	<p><i>2: engagement of all pupils in regular physical activity</i></p> <p><i>3: the profile of PE and sport is raised across the school as a tool for whole school improvement</i></p> <p><i>4: broader experience of a range of sports and activities offered to all pupils</i></p> <p><i>5: increased participation in competitive sport</i></p>	<p><i>Children being more engaged in physical activity</i></p>	<p><i>Sports Coach: £2957</i></p>
<p><i>To provide focused plans for all teachers</i></p>	<p><i>All teachers</i> <i>All children Years 1-6</i></p>	<p><i>1: increased confidence, knowledge and skills of all staff in teaching PE and sport</i></p>	<p><i>Teachers more able to deliver higher quality provision, being more confident</i></p>	<p><i>Sports Coach: £2609</i></p>
<p><i>To provide CPD for 3 ECTs</i></p>	<p><i>3 ECTs and the children they teach</i></p>	<p><i>1: increased confidence, knowledge and skills of all staff in teaching PE and sport</i></p>	<p><i>ECTs more confident to deliver PE lessons</i></p>	<p><i>Sports Coach: £2478</i></p>

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<i>To increase the number of children engaged in sport</i>	<i>All children in Years 1-6 able to engage in a range of sports, older children having opportunities to take a leading role and support younger children as well as their peers</i>	<i>Children reported that they are keen to be active at lunchtimes</i>
<i>To increase the number of children engaged in swimming</i>	<i>Year 3 children (and their parents) more keen to engage in swimming and develop skills that will lead to future swimming success</i>	<i>Resistance from parents to let children swim was addressed by hiring a smaller pool with a dedicated coach working just for our school, children in with smaller groups, and providing transport. This was successful with all but 2 children in Year 3, and should encourage with children and parents to engage more with swimming in Year 4.</i>
<i>To engage targeted children in sports activities after school hours with some joining competitive sports events</i>	<i>Success in local tournaments and leagues for football and netball for both girls and boys Recognition of participation and success celebrated in whole school assembly – children feeling proud, others feeling inspired to be part of school sport</i>	<i>Children were enthusing about their sporting success for months afterwards, pupil voice: “I can’t believe we did it” “my mum was so proud of me” Younger child “I want to be in the team when I’m older”</i>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	31%	<i>This cohort were impacted by parents being reluctant to allow their children to swim in the local pool post-Covid. 3 x IYCA children who joined as non-swimmers 2 x PA missed swimming lessons 9 x SEN children (incl 6 x EHCP) who could not access swimming lessons</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	40%	<i>Even though some children cannot swim for 25m, they did show an ability to swim in a range of strokes with good technique</i>
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	50%	<i>Children showed greater confidence with self-rescue.</i>

<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	<p><i>There are no available sessions at the local swimming pool for schools to book for additional top-up sessions.</i></p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>	<p><i>Pool bookings include qualified staff at the local swimming pool, and school staff are not available to cover the lessons for Year 3 children due to the nature of the pool and set up.</i></p>
