# Year 2

## Home Learning - Term 1

Dear Parents/Carers,

This term's home learning is linked to our topic of What a Wonderful World. We will be learning about this topic by reading stories and researching facts.

The home learning grid should be used to support your child's studies. It is designed to allow choice and freedom to add more information to our class study. Some activities may require adult supervision. Please ask in the office if you would like your child to join homework club to support with this.

Please ensure your child has a full PE kit in school every day- PE day is Wednesday.

As ever, reading continues to be extremely important as it affects all areas of your child's education. There will be many opportunities for your child to develop their reading skills this year. We ask for your support with this by continuing to support your child by reading with him/her on a daily basis.

Thank you for your continued support.

Miss H. Taylor  
Miss S. Turner
