

Year 3 Home Learning Grid Term 2: Our topic this term is: **The Stone Age**

- ❖ Aim to read at home every night. This term we will have a reading raffle - each time you read you will earn one ticket in the draw.
- ❖ Practise your spellings. There are also Spelling Shed logins in your reading records where you to practice your spellings at home if you prefer.
- ❖ For times tables practice on Times tables RockStars at <https://trockstars.com/> (Logins are in your reading records.)
- ❖ Complete **at least** one activity from the grid per week and colour the box in as they are completed. This is a 7 week term so aim to complete 7 pieces of homework.

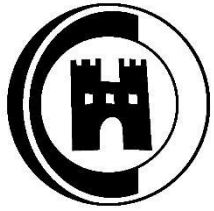

Find 5 interesting facts about life in the Stone Age.	Design something that would have been useful in the Stone Age, label and explain your design.	Create a poster to help younger children to learn their number bonds to 10.	Write an acrostic poem about Autumn.	Find out what people used to wear in the Stone Age. Draw a picture and label it.	Create a poster explaining how to make a safe and secure password when using the computer.
Draw a diagram showing a contact force you use every day, for example: pushing a door open.	Explore how to keep things cool. Can you draw 5 things that can keep food cool? e.g. a cool box	Draw and label all the magnetic materials you can find around your home.	Design a poster about keeping yourself safe both in and out of school.	Practice your touch typing skills you learnt last term using the BBC bitesize link below.	Build a Stone Age round house using materials you can find at home.
Explain 'what 'friction' is. Write a sentence explaining what it means and draw a picture showing what it means.	Find out what Stone Age people ate. Draw pictures of these food items and label them.	Write a character description about your favourite character from a book.	Practise your 2, 5 and 10 times tables. Can you make them go green on TTRS?	Draw a picture of a Stone Age scene. Write a setting description. Remember to include prepositions and the power of 3.	Write some sentences using the power of 3.

Be as creative as you can. You can use the internet or books to help you. These are some websites that can help you with your homework:

<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr>

<http://www.primaryhomeworkhelp.co.uk/>

MAKE SURE YOU HAVE AN ADULT'S PERMISSION TO USE THE INTERNET

Castle Hill
Community Primary School

Dear Parents,

This term's home learning is linked to our termly theme - The Stone Age.

The Home Learning Grid inside this booklet is designed to allow children choice and freedom to add more information to their school learning. Some activities may require adult support and supervision. One piece per week is required from all children.

PE for Dungeness will be every Tuesday afternoon and Woodchurch will be swimming on a Friday. Please ensure your child has a full PE kit in school every day as we sometimes have extra sporting activities.

To help with your child's reading, please could you try to read at least 3 times a week and record in their reading record. Spellings will be sent home weekly for a test at the end of the week. It would also be great for children to use TTRS to practise their times table - logins are in the back of their reading records.

Thank you for your continued support.

Ms Page and Miss Finn
