Dear Parents,

This term's home learning is linked to our termly theme – What was life like in the Bronze and Iron Ages?

The Home Learning Grid inside this booklet is designed to allow children choice and freedom to add more information to their school learning. Some activities may require adult support and supervision. One piece per week is required from all children.

PE will be every Tuesday afternoon for Dungeness class and Woodchurch will continue to swim on a Friday. Please ensure your child has a full PE kit in school every day as we often have extra sporting activities. As well as a towel and swimming costume for Woodchurch children.

Thank you for your continued support.
